

DOWN EAST GIRLS SOFTBALL LEAGUE

As we approach the end of the Down East Girls Softball League regular season, we begin to prepare for the Babe Ruth Softball League Tournament Trail. For the most talented and dedicated good sports, the opportunity to continue softball competition beyond the local level presents itself. As a League, we will begin selecting those players whose play and sportsmanship has earned her a spot on the All-Star team from a pool of players who express the willingness to commit their time, energy and money to post-Season tournament competition.

The first such opportunity will be played in our own backyard. The Babe Ruth District 5 Championship Tournament will be held June 23-27 at Eastern Park. Winners from the District level will advance to the ENC State Championships to be held in Kinston July 7-11.

As the first tournament is local, the amount of expense involved in having your child play on an All-Star team through District is rather low. The game schedule for the State Tournament, however, normally requires restaurant meals, hotel nights and other associated travel expenses. The level of competition is elevated and the amount of dedication and practice time must increase accordingly. The Down East All-Star teams have been successful at all age levels in recent years and we believe this year will be no exception. In order to streamline the selection process, we ask that the parent(s) of each player return this form signed with your selection made. Thank You for your assistance in this matter.

I wish for my daughter to be considered for the Down East All-Star team in her age group. We willingly commit our participation through the State Tournament level.

Player Name _____ Parent Signature _____

We love softball but we have prior commitments that will prevent our participation this year.
